

**United States District Court
Southern District of Florida
Public Notice**

**United States Magistrate Judge
Two Expected Vacancies
Miami, Florida**

The Judicial Conference of the United States has authorized the appointment of two full-time United States Magistrate Judges for the Southern District of Florida at Miami, Florida. These appointments will succeed incumbents who are expected to be confirmed as United States District Judges. The essential function of courts is to dispense justice. An important component of this function is the creation and maintenance of diversity in the court system. A community's belief that a court dispenses justice is heightened when the court reflects the community's diversity.

The duties of the position are demanding and wide ranging, including, but not limited to: 1) conduct of most preliminary proceedings in criminal cases; 2) trial and disposition of misdemeanor cases; 3) conduct of various pretrial matters and evidentiary proceedings on delegation from the Judges of the District Court; 4) trial and disposition of civil cases upon consent of the litigants; and 5) assist the District Court with any "additional duties as are not inconsistent with the Constitution and Laws of the United States." The basic authority of the United States Magistrate Judge is found in Title 28, United States Code, Section 636. To be qualified for the appointment an applicant must:

1. Be, and have been for at least five years, a member in good standing of the bar of the highest court of a state, the District of Columbia, the Commonwealth of Puerto Rico, the Territory of Guam, the Commonwealth of the Northern Mariana Islands, or the Virgin Islands of the United States, and have been engaged in the active practice of law for a period of at least five years (with some substitutes authorized);
2. Be competent to perform all the duties of the office; be of good moral character; be emotionally stable and mature; be committed to equal justice under the law; be in good health; be patient and courteous; and be capable of deliberation and decisiveness;
3. Be less than 70 years old; and
4. Not be related to a Judge of the District Court.

A Merit Selection panel (see [Administrative Order 2024-20](#)) composed of attorneys and other members of the community will review all applicants and recommend to the District Judges of the Court, in confidence, six persons it considers best qualified. The Court will make the appointments following FBI full-field investigations and IRS tax checks of the applicants selected by the Court for appointment. The individuals selected must comply with the financial disclosure requirements pursuant to the Ethics in Government Act of 1978, Pub. L. No. 95-521, 90 Stat. 1824 (1978) (codified at 5 U.S.C. app. §§ 101-111) as implemented by the Judicial Conference of the United States. An affirmative effort will be made to give due consideration to all qualified applicants without regard to race, color, age (40 and over), gender, religion, national origin, or disability. The current annual salary for the position is \$223,836. The term of each office is eight years. In order to be available for emergency, after hours and weekend duty matters, the successful applicants are expected to reside within the division applied for, or an adjacent division within the District, or relocate to the division (or adjacent division) within a reasonable amount of time upon appointment.

The panel's deliberations will remain confidential.
