

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA

ADMINISTRATIVE ORDER NO. 87-62

In re: 87-2300-Civ-ALH :
Deangealis v. Crum & Foster Ins. Co. :
:

The Clerk of Court advises that the Judge assignment in this case is improper. Pursuant to our blind random filing system, which has been in effect in this District for many years, the Clerk is to effectuate assignments based on weighted and non-weighted cases. This case is a breach of contract action, which would fall into the definition of a weighted case. However, upon assigning the case, the Clerk inadvertently used the non-weighted wheel. During the monthly verification process, the Clerk noted this discrepancy and brought it to the attention of the Court. Therefore, it is

ORDERED and ADJUDGED that the Clerk of Court is to void the case assignment in case number 87-2300-Civ-Hastings and he is directed to effectuate a blind random assignment utilizing the Southern Division's Category A Assignment Wheels. It is further

ORDERED that the Clerk is to notify all parties in this action via a copy of this Administrative Order and attach his Certificate of Reassignment thereto.

DONE and ORDERED at Miami, in the Southern District of Florida, this 21 day of December, 1987.

JAMES LAWRENCE KING
CHIEF UNITED STATES DISTRICT JUDGE

cc: All Counsel of Record
