

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA

ADMINISTRATIVE ORDER 2013-88

**IN RE: FORT PIERCE DIVISION CASE
ASSIGNMENT WHEEL**

This Court maintains separate case assignment wheels for each of its five divisions pursuant to which all cases are randomly assigned. Due to the fact that there are no resident District Judges in the Fort Pierce Division, participation in the case assignment wheels from those Divisions is on a voluntary basis by District Judges from other divisions in the Court. After considering the workload of the entire District, the assignment needs for the Fort Pierce Division, and the caseload preferences of the impacted judges, the Court has determined to adjust assignments in this division. In the best interest of the public and in order to insure the even distribution of the workload from the Fort Pierce Division in the future, the Court makes the following adjustments to the Fort Pierce wheel. Accordingly, it is

ORDERED AND ADJUDGED that

the Clerk of Court is directed to immediately reconstitute the case assignment wheel for the Fort Pierce Division comprised of the following: Judges Donald M. Middlebrooks, Kenneth A. Marra and Jose E. Martinez. All previous Administrative Orders regarding the composition of the Fort Pierce wheel are superseded by this Order.

DONE AND ORDERED in Chambers in Miami, Miami-Dade County, Florida, this 17 day of December, 2013.
