

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA

ADMINISTRATIVE ORDER 2023-76

IN RE:

AMENDMENT TO STANDARD CONDITIONS
OF SUPERVISION

Upon consideration of changes made to the standard conditions of probation and supervised release by the Judicial Conference, and as reflected in the Judgment in a Criminal Case, the Court amends Administrative Orders 1988-06 and 2013-21 to reflect that in all criminal cases where a defendant is placed on probation or supervised release, the following standard conditions shall be imposed:

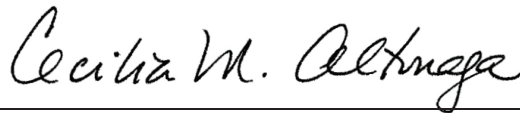

1. The defendant shall report to the probation office in the federal judicial district where he/she is authorized to reside within 72 hours of release imprisonment unless the probation officer instructs the defendant to report to a different probation office or within a different time frame.
2. After initially reporting to the probation office, the defendant will receive instructions from the Court or the probation officer regarding how and when the defendant must report to the probation officer; the defendant must report to the probation officer as instructed.
3. The defendant shall not knowingly leave the federal judicial district he/she is authorized to reside in without first obtaining permission from the Court or the probation officer.
4. The defendant shall truthfully answer the questions asked by the probation officer.

5. The defendant shall live at a place approved by the probation officer. If the defendant plans to change where he/she lives or anything about his/her living arrangements (such as the people he/she lives with), the defendant shall notify the probation officer at least 10 days before the change. If notifying the probation officer in advance is not possible due to unanticipated circumstances, the defendant shall notify the probation officer within 72 hours of becoming aware of a change or expected change.
6. The defendant shall allow the probation officer to visit him/her at any time at the home or elsewhere, and the defendant shall permit the probation officer to take any items prohibited by the conditions of supervision that he or she observes in plain view.
7. The defendant shall work full time (at least 40 hours per week) at a lawful type of employment unless the probation officer excuses him/her from doing so. If the defendant does not have full-time employment, he/she shall try to find full-time employment unless the probation officer excuses him/her from doing so. If the defendant plans to change where he/she works or anything about his/her work (such as position or job responsibilities), the defendant shall notify the probation officer at least 10 days before the change. If notifying the probation officer at least 10 days in advance is not possible due to unanticipated circumstances, the defendant shall notify the probation officer within 72 hours of becoming aware of a change or expected change.
8. The defendant shall not communicate or interact with someone he/she knows is engaged in criminal activity. If the defendant knows someone has been convicted of a felony, the defendant shall not knowingly communicate or interact with that person

without first obtaining the probation officer's permission.

9. If the defendant is arrested or questioned by a law enforcement officer, the defendant shall notify the probation officer within 72 hours.
10. The defendant shall not own, possess, or have access to a firearm, ammunition, destructive device, or dangerous weapon (i.e., anything that was designed, or was modified for, the specific purpose of causing bodily injury or death to another person such as nunchuks or tasers).
11. The defendant shall not act or make any agreement with a law enforcement agency to act as a confidential human source or informant without first obtaining the Court's permission.
12. If the probation officer determines that the defendant poses a risk to another person (including an organization), the probation officer may require the defendant to notify the person/organization about the risk; the defendant shall comply with that instruction. The probation officer may contact the person and confirm that the defendant has notified the person/organization about the risk.
13. The defendant shall follow the instructions of the probation officer related to the conditions of supervision.
