01/09/2019	180	PAPERLESS ORDER granting in part and denying in part Defendants' <a href="#">179</a> Motion to Stay, which is, in legal effect, a motion requesting an extension of time to file objections to the Report and Recommendations (DE#178) recently entered on the Defendants' motions to dismiss; and, requesting an extension of this court's

		<p>previously entered pretrial scheduling order. Defendants explain that federal funding for certain functions of the United States of America lapsed on December 21, 2018; and, at this time, no appropriation bill or continuing resolution has been passed that would restore funding to the Department of Justice. Further, it appears that attorneys and employees of the U.S. Attorney's Office, Civil Division, with limited exceptions, are prohibited from working, even voluntarily, during the lapse in funding. Because all Defendants, with the exception of Richard Rott, have yet to file an Answer to the operative complaint, discovery has not commenced as to these Defendants.</p> <p>Therefore, they also seek an extension of all pretrial deadlines, until a dispositive resolution of their motions is entered by the court. Upon review of the motion and the record as a whole, the Defendants' motion, seeking an extension of time to file objections to the report (DE#178) entered on their motions to dismiss is hereby GRANTED in part. The Defendants shall file a status report on or before WEDNESDAY, JANUARY 16, 2019, notifying the court as to the status of their federal funding, and whether or not the furlough has been lifted. If no bill or resolution has been passed, and they are still in need of additional time to file objections, the Defendants may file a renewed motion to extend the time for filing objections to the Report currently pending before the district court.</p> <p>Regarding the court's pretrial scheduling order, the motion is hereby GRANTED in part, solely to the extent that the pretrial deadlines are hereby lifted. However, the parties should anticipate that if they are required to file an answer, after doing so, a modified, brief pretrial scheduling order will be entered.</p> <p>Signed by Magistrate Judge Lisette Marie Reid on 1/9/2019. 01/18/2018	106	REPORT AND RECOMMENDATIONS on 42 USC 1983 case re <a href="#">87</a> MOTION to Dismiss <a href="#">76</a> MOTION to Dismiss <a href="#">1</a> Complaint 42 USC 1983 or Bivens filed by Reginald Eugene Grimes, <a href="#">76</a> MOTION to Dismiss <a href="#">1</a> Complaint 42 USC 1983 or Bivens filed by Richard Rott Recommending deny as moot. Defendant sought dismissal based in relevant part on Plaintiff's noncompliance with this court's discovery order requiring him to respond to the Defendant's discovery requests. Plaintiff has responded, stating he was in transit from prison facilities, discovery was delayed because it was sent to the wrong facility, and has since notified the court that it has responded to the Plaintiff's discovery (see DE#s82-83,85-86,and88). Moreover, the court's previously entered pretrial scheduling order has been vacated and a new scheduling order being entered

		shortly. Consequently, it is recommended that the Defendant's motion to dismiss based on noncompliance with defendant's discovery be DENIED. Objections to R&R due by 2/1/2018 Signed by Magistrate Judge Patrick A. White on 1/18/2018. (nn) (Entered: 01/18/2018)
01/18/2018	105	PAPERLESS ORDER denying Plaintiff's <a href="#">71</a> Motion to Produce requesting the production of a "handwriting exemplar" from William Lineham to be used at trial to establish that the handwriting on a napkin given to Plaintiff in response to inquiry regarding the identity of the person who assaulted him, belonged to Lineham. He further seeks the court appointment of an expert to evaluate the handwriting samples for confirmation that both belong to Lineham. At this juncture, however, the only defendant of record is Rott, not Lineham. Plaintiff may seek discovery from Lineham in compliance with the applicable federal and civil procedures by filing a request for production and subpoena from a non-party, but he must do so by first demonstrating in compliance with the rules that he can effect and pay for service of process, etc. Consequently, given the motion is premature and improper as to the named defendant, the motion is hereby DENIED without prejudice. Signed by Magistrate Judge Patrick A. White on 1/18/2018. (nn) (Entered: 01/18/2018)
01/18/2018	104	PAPERLESS ORDER granting in part and denying in part <a href="#">77</a> Motion for Extension of Time; granting in part and denying in part <a href="#">78</a> Motion for Extension of Time. The Defendants' motion for an extension of time is granted solely to the extent that the deadlines previously set forth by this court's order and which have now expired or are due to expire, are hereby vacated, and a new pretrial scheduling order will be entered shortly. In all other respects, however, the motion is denied. It appears from the record that Plaintiff has responded to the Defendants' discovery requests, and Plaintiff has indicated that he had previously apprised the defense that he would be in transit at or around the time the discovery responses were due. In the future, if an extension of the court's pretrial order becomes necessary, the parties should comply with the local and federal rules regarding such filings.
